### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a motor driven drive train including a crank connected to a pair of suction subassemblies, each suction subassembly further having a connecting rod rotatably connected to the crank at a first end, a diaphragm connected to the connecting rod at a second end, a base member sealably connectible to the diaphragm to cooperatively define an expansible chamber therebetween, the base member being constructed and arranged to produce at least a negative pressure upon movement of the diaphragm and having an outlet in communication with the expansible chamber and a breastshield, whereby a change in pressure produced in the expansible chamber is communicated to the breastshield.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Manuel Mendez whose telephone number is 703-272-4977. The examiner can normally be reached on 0730-1800 hrs.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Nicholas D. Lucchesi can be reached on 571-272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
